TO THE HOME CHURCH OF \_\_\_\_\_  
Student and/or Parent's/Guardian's Name

The individual family named above is applying for financial assistance in order to have their child(ren) enrolled in Colorado West Christian School. We believe that the local church has a measure of biblical responsibility to assist its member families. At this time, they lack the financial resources to pay the full tuition. The Tuition Assistance Committee of CWCS has requested that they contact their home church for help in any or all of the following ways:

1. Regular prayer support for student(s) and family and school.
2. Assistance with tuition (mission budget, etc.?)
3. Tuition assistance from interested church members.
4. Regular support of CWCS in the church budget.

The total annual tuition for \_\_\_\_\_ is \$\_\_\_\_\_.

The total of all fees including tuition, books, and registration is \$\_\_\_\_\_.

The Tuition Assistance Committee of Colorado West Christian School has had the privilege of observing God's work in the lives of young people enrolled in this school, and we are excited to be able to share this ministry opportunity with your congregation.

If you have any questions, please do not hesitate to call the school for additional information of clarification.
