Position: Christian Community Leader

Colorado West Christian school is looking for individuals who are willing to serve, lead, and invest in the next generation. The school board plays an important role in shaping the direction, priorities, and future of our school, and we are currently seeking applicants who are interested in serving in this important position.

We are looking for individuals who care about students, support teachers, value families, and are committed to strong education and wise leadership. From a Christian perspective, we believe education is not just about academics, but about helping young people grow in character, responsibility, and purpose. School board members help make decisions that impact curriculum, budgeting, policies, and the overall direction of the school.

We seek individuals who are committed to service over self, who possess thoughtful leadership skills, and are committed to the long-term success of our school community. Ideal candidates are willing to listen, ask meaningful questions, and make decisions grounded in integrity and humility.

If you have a heart for students, a desire to serve your community, and a willingness to lead responsibly, we encourage you to apply for the open school board position.

Applications are now being accepted. Please contact Dr. Deater at tdeater@cwcsmontrose.com if you have questions or for more information on how to apply.

Thank you for your willingness to serve and invest in the future of our students and our community.
