

# 4th Annual Clay Shoot

**Colorado West Christian School**  
Team Captain Package

This year, Colorado West Christian School is hosting its 4th Annual Sporting Clay Shoot fundraiser held at Black Canyon Wing and Clay in Delta, CO.

This is a fundraising event that will help CWCS to build a new multi-use gym on the exciting campus in Montrose. This facility will allow our students to have a designated space for PE, sports practice, and Volleyball games. This space will also serve as a lunch room and a place for our “rainy day” dismissals. By moving our lunchroom to this new space, we will gain 2 classrooms by repurposing our old lunchroom.

Our student enrollment is growing faster than we anticipated. We have seen a 100% increase in students enrolled at CWCS in the last 4 years. As well as a 90% retention rate. It is imperative we start planning for our expanded infrastructure needs.

At Colorado West Christian School fundraising is a vital component of our success as a 501(c)3 non-profit organization. Fundraising allows us to consider growth in infrastructure, technology and program changes that benefit our students.

All proceeds from this fundraising event will be directly applied to supporting the growth of Colorado West Christian School, and we could use your help!

## FORMAT: FIVE STAND

If you were to put trap, skeet, and sporting clays in a blender, Five Stand would pour out. It features a line of five "stands" for shooters and a number of launchers arranged in front of the shooters, to their sides and even behind them. Shooter are presented five targets at each station, 25 targets in all.

Five stand is more exciting than trap and throws a wider variety of patterns than skeet. It's faster and cheaper than sporting clays. For hunters, it's a great game, giving you the chance to work on shots simulating everything from fleeing rabbits and flushing to quail to ducks dropping into a set of decoys.

We need your help to make this fundraiser successful and help promote Christian education at Colorado West Christian School. Based on the desperate need of families to provide solid education to their children we are working to expand our Montrose campus and we are planning to expand our campus to Delta. We are asking that you as a team captain recruit 4 other shooters to join you in your effort to help our school.

**Captain agrees to:**

- Form a team of five shooters
